GRIEVANCES AND APPEALS POLICY (www.ascinternational.wa.edu.au/policies)

ASC International strongly values parent and student partnership. We welcome and encourage your enquiries at any time. For a confidential discussion please contact International Admissions via email admissions@asc.wa.edu.au. ASC International will make every effort to resolve any enquiry raised by a student or parent. In the event that a concern continues, it is our obligation and commitment to assist you with a formal appeal at no cost to you. The process is designed so as not to disrupt the student's studies.

The procedure for grievances and appeals is shown below. These may, for example, be about:

- **Academic Matters** (relating to academic progress, assessments, refusing admission and cancellation or suspension of enrolment and course work requirements including meeting assignment deadlines, attending scheduled tests and examinations).
- **Non-academic Matters** (including complaints brought against another student, accommodation arrangements and incorrect advice).
- **Student Visa Compliance Matters**, breaches against the conditions of a Student Visa (including failure to comply with the attendance (80% required), behaviour, and or failure to maintain enrolment in a registered course as stated on the Confirmation of Enrolment).

A student or parent requests any staff member to arrange a meeting with senior management to discuss a concern.

A meeting is scheduled to lay out the details of the concern for further discussions if necessary.

Having evaluated the matters of concern, the School will provide written responses.

If the concern is resolved, agreement is recorded on the student's file and the matter flagged for continuing review to ensure the parties remain satisfied.

In the event that mutual satisfaction was not reached, a full and formal grievance procedure will be implemented at no cost to the parent. This process is carried out in a simple, friendly and supportive manner.
