ASC International Study Tours offer some or all of the following:

**School Integration**
- Visiting students will learn alongside local students, experiencing learning in an Australian classroom and try various hands-on activities.
- Cultural exchange takes place as students learn about Australian society and way of life.

**English Language Programs**
- Teachers offer conversational and/or specialised English lessons to suit each group’s language proficiency and interests.

**Specialised Classes**
- Specialised classes may be offered in learning areas such as outdoor education, music, visual media and technology.

**Co-curricular & Extra-curricular activities**
- A well-balanced curriculum which combines academic studies with activities and special events. These may include sports, performing arts, robotics or service learning.

---

Your Gateway to Australia

Are you looking for study tours to Australian schools? The Anglican Schools Commission International (ASC International) offers a variety of study tour programs through our network of up to 14 schools in 3 Australian states. If you are looking to visit Australia, or want to partner with us to customise a tour, book your adventure via www.ascinternational.wa.edu.au today!
Excursions

- Visiting students can enjoy educational and experiential activities through excursions to places of interest including world-famous natural landscapes and heritage sites.
- They can interact with Australia’s unique marine life and wildlife at conservation facilities such as Penguin Island and Caversham Wildlife Park.

Accommodation

- Visiting students will be hosted by an Australian family in a safe and supportive environment which offers three meals a day and tips on transport and other aspects of daily life.

Ranging from one week to one month in length, a study tour is one of the best ways to experience Australian education and way of life. Each tour offers a balance of classroom learning, English language instruction as well as outdoor and cultural activities. With over 30 years’ experience in international programs, English as Second Language courses and secondary education, the ASC International offers Study Tours designed by education specialists to suit your learning needs and preferences.
Study Tour Destinations

Esperance Anglican Community School
Experience the amazing outdoor lifestyle enjoyed by students living in Western Australia’s coastal regions. Esperance Anglican Community School is located on the doorstep of one of the world’s most beautiful playgrounds, a School where you can try water sports such as surfing, windsurfing and sailing. You will not only enjoy the hikes and field trips to renowned tourist attractions such as Twilight Beach and Lucky Bay, but also study in a 21st Century digital learning hub where technology is integrated into teaching and learning programs. Esperance Anglican Community School has a 1:1 iPad Program for all students which link Apple TVs in all learning areas and facilitates whole-class usage of multi-media. You will also stay in state-of-the-art boarding facilities with various amenities including your own en-suite bathrooms. Esperance Anglican Community School is your home in the heart of Esperance.

John Wollaston Anglican Community School
Situated in the Perth foothills, John Wollaston Anglican Community School is a beautifully picturesque campus, located in an idyllic semi-rural area with spacious, attractive grounds with excellent facilities. You can sample the School’s differentiated academic and specialist programs including Gifted Learning and vocational education classes, and study in world-class learning areas including an Indoor Sports Centre, Performing Arts Centre and a state-of-the-art Technology Centre boosting a Commercial Kitchen and Learning Enrichment Centre. There are a number of walking and cycle paths in the area for you to explore and you may even try activities such as horse-riding. The School is ideally located at the doorstep of Champion Lakes Regatta Centre, a well-known aquatic sports facility offering rowing, canoeing and dragon-boatng and a white-sand beach for public swimming.

St Mark’s Anglican Community School
Established in 1986, St Mark’s Anglican Community School was the first of the Anglican Schools Commission schools. Located in the beachside suburb of Hillarys, the School offers spacious facilities for academic learning, sports and outdoor education as well as co-curricular activities. You can explore the adventure and challenge facilities in the Len King Sports Pavilion — such as the abseiling tower, high ropes course and climbing wall — or the well-equipped Barbara Godwin Performing Arts Complex which showcases the best of the students’ talents in drama, dance and music. One of St Mark’s Anglican Community School’s key strategic priorities is to foster “Asia literacy” by encouraging students to take a broader global perspective and actively engage with Asian culture, arts and language. Many of your newfound friends will have visited schools abroad and look forward to learning adventures with you.

Swan Valley Anglican Community School
Located in the attractive and thriving residential suburb of Aveley, Swan Valley Anglican Community School is situated on a large estate with four sub-schools from Kindergarten to Year 12. You can experience a variety of engaging and educational Programs and extra-curricular activities. The School offers a range of differentiated academic and specialised programs. You will be delighted with our new Technology and Enterprise Centre featuring a commercial kitchen where you can sample the magnificent cuisine co-created by a professional chef and our students. Music lovers can take part in our dynamic Music Program with Contemporary Rock and Pop ensembles, Concert Band, Jazz Bands, Choirs, Guitar ensembles and Percussion ensembles. Other exciting co-curricular activities include Horse-riding, Astronomy, and Aeronautics, which involves play with different modes of aviation such as rockets, drones and flight simulators.

St George’s Anglican Grammar School
St George’s Anglican Grammar School is located in the heart of the Perth CBD, a unique location that provides a learning environment for you to engage in authentic and future-focused education. You will learn in a dynamic and relevant context, using the best of the city’s resources as an extension of the classroom. From language classes in the City of Perth library to performing arts lessons in the State Theatre of Western Australia and work experience and service learning opportunities with businesses in the CBD, these cultural, educational and professional learning activities are memorable and rooted in experiential learning. For sports and other extra-curricular pursuits, you may take part in events such as rowing lessons in the scenic Swan River, rock climbing sessions in Northbridge and visual arts and photography.
